CLUB REPORT

We visited Wiggles at 8814 Avenue D in Brooklyn, New York on Butt-Ass Sunday. Big Redd, Hot Sauce and Dynasty were warming up, getting ready to go cheek to cheek on the dance stage. Sal, the club's manager, was also on hand to show us around. He pointed out the video games and the TV monitors that show X-rated movies all night long. "Of course," he said, "it's the topless dancers that make Wiggles so popular and give meaning to the club's name."

Wiggles is open Monday through Friday at 4 p.m., Saturday and Sunday at 8 p.m., and they close 4 a.m. Thursday through Saturday, 3 a.m. on Sunday, and around 2 a.m. during the week. Later, if there's enough customers to warrant it. You've got to be 23 and show valid ID to get in. It's free before 8 p.m., then there's a cover charge of \$5, or more if there's a special feature. Heather Hunter drew a record-breaking crowd when she appeared at Wiggles, and Sal tells us that Heather will be returning for an encore engagement.

Drink prices range between \$5 and \$7, beers \$5 or \$6, and there's no food except on

special occasions, when a hot buffet is put out. The club's DJ, Ernest, supplies the music, mostly a mix of reggae and rap, for the 100 or more beautiful black dancers that work at the club every week, anywhere between ten and 30 a night. And almost every evening, something special is going on. Monday is \$5 Night, when admission, drinks, and wall and lap dances all cost only five bucks each. Normally, lap and wall dances cost \$10. On Thursday night, Wiggles caters to the city workers who crowd in with their paychecks in their pockets and lust etched on their expectant faces. Friday is the club's biggest night, needing no special promotion, and on Saturday nights, Nubian Productions in association with Butt Wild Entertainment puts on special shows. And, as previously mentioned, Sunday is Butt-Ass day. Security on the premises is Rock-tight, Rock being the guy in charge of keeping things orderly.

You can call Wiggles if you'd like. Their telephone number is 718-272-7242. And when you drop by, dress casual if that's your style, but be neat or you might be turned away.

CLUB REPORT

GOLDEN BLACK

On February 2nd of this year, the Golden Lady at 611 East 133 Street and the corner of Bruckner Boulevard in The Bronx, New York, was the scene of a huge birthday bash for one of BLACK TAIL'S favorite models, the lovely Italia. More than 275 customers attended the party, hosted by the club's manager and promoter, Big D. Italia seen here in our photos with Spice and Scandelicious, performed at the stroke of midnight, dispensing thrills like party favors to the very enthusiastic crowd.

The Golden Lady, the biggest topless club in the Bronx, is normally open from 8 p.m. to 4 a.m. every day, except on Thursday when they open at 6 p.m. and on Sunday when they open at 9 p.m. Each week, they have "Hands On Thursday," described by Big D as "a tip and touch affair." The admission price is \$10.00, more when there are special features, and the average cost of a drink (top-shelf alcohol, specials and beer) is \$5.00. The club's "Bitchin' Kitchen" is exactly that, and serves up burgers, wings, salads and sandwiches for about \$6.00 a plate. There's secured parking. Security inside the club is pretty tight, and there's a bathroom attendant. So you don't run out of bills to have a good time with, the Golden Lady is one of the few clubs that has an A.T.M. machine on the premises.

A fairly new establishment, the Golden Lady has been in operation a little more than two years and attracts professionals as well as blue-

collar workers. The club caters to the likes and needs of all customers. A minimum of 20 topless dancers perform each night, no less than 35 on Thursdays, and the ladies, black, white and Hispanic, are all good-looking and talented. There's a 45-foot stage surrounded by the main bar on the lower level, and two stages and a full, 30-foot bar, plus a pool table, on the upper level. Table, wall and private lap dances are available for a price negotiated with the dancer of your choice, and the club's biggest draw, their Fantasy Shower, offers customers an opportunity to take home thrilling memories.

If you'd like to call the Golden Lady to find out if there are any special events planned for when you expect to stop by (look out for their Miss Golden Lady Contest in August), the telephone number is 718-585-5377. If you'd like to speak to Big D to find out how to go about renting a private room for a special party you want to throw, call him on his pager number, 917-489-6284. Don't forget to say you read all about the Golden Lady in **BLACK TAIL**.

LAY DOWN, SHOW EVERYTHING

"You have to understand that you're dancing for people," declares nude dancer Atlanta!

BY IRV O. NEIL

Atlanta is a pretty and soft-spoken young lady from the town of the same name in Georgia, who's now a New Jersey resident and a dancer in New York City. She has a charming and thoughtful way about her as she describes how dancing has helped her achieve a more satisfying definition of herself, as well as how it's made her more open in her sex life. As enterprising as she is attractive, Atlanta contacted us on her own to do a layout. If you'd like to say hello, send your fan letters c/o BLACK TAIL, Tux Magazine, Inc., 462 Broadway, Suite 4000, New York, NY 10013.

BLACK TAIL: I like your choice of stage name.

ATLANTA: Well, I'm from Atlanta so I call myself Atlanta. I started dancing there about two years ago. Then I came up here about eight months ago to do pictures.

BT: You came by yourself?

ATLANTA: With a friend of mine. She was going to pose for a magazine, but before the shoot she decided against it and went back home.

BT: But you stuck it out.

ATLANTA: Yes. I'd looked at magazines, and I wanted to be in BLACK TAIL.

BT: It was a long-held fantasy?

ATLANTA: Even before I started dancing, I would see certain magazines and wonder if I could do it.

BT: What was it like, finally living out the fantasy?

ATLANTA: Fun, exciting. I was really nervous, but it was something I wanted to do, so it was great.

BT: Did you have any preconceptions about what posing would be like?

ATLANTA: Actually, before I did the layout, I went to a private photographer and asked him to take nude pictures of me to see how it would feel. After that, it was no problem at all.
